I, Brian F. Drazich, declare as follows:

1. I have personal firsthand knowledge of the facts and events stated herein, and if called upon to do so, could and would competently testify thereto.

2. Applicant's attorneys of record Jon E. Hokanson, registration no. 30,069, Thomas M. Small, registration no. 20,379, and Brian F. Drazich, registration no. 41,718, each of whom's address is:

3. The Applicant is E-Moola, Inc., whose last known address is:

129 W. Wilson Street, Suite 105  
Costa Mesa, California 92627

4. Declarant acknowledges that M.P.E.P. § 402.06, ¶ 4 states in pertinent part:

The Commissioner of Patents and Trademarks usually requires that there be at least 30 days between *approval* of withdrawal and the *later* of the expiration date of a time period for reply or the expiration date of the period which can be obtained by a petition and fee for extension of time under 37 CFR 1.136(a).  
... *If a period has been set for reply and the period may be extended without a showing of cause pursuant to 37 CFR 1.136(a) by filing a petition for extension of time and fee, the practitioner will not be required to seek such extension of time for withdrawal to be approved.* ...

5. Declarant has had personal involvement in the preparation and handling of the '485 application. In that capacity Declarant has had direct personal communications with Applicant's President and CEO, Peter Rovazzini, and Chief Technical Officer, Russell Morgan.

6. Since early June, 2002, Declarant has on more than 10 occasions attempted to contact Applicant's offices by telephone and e-mail without success. Applicant's office telephones appear to no longer be working numbers, and e-mails directed to Applicant, its President and its Chief Technical Officer have been returned as undeliverable. Further, attempts to contact Mr. Rovazzini and Mr. Morgan at their respective last known residences has proved equally unsuccessful. Finally, from early June, 2002, to the

present date, Declarant has received no communication, directly or indirectly, in any form, from any person associated with Applicant.

7. Based on the foregoing, Declarant has concluded that Applicant, E-Moola, Inc., is defunct and has ceased its business operations.

8. As a result of the afore-mentioned inability to contact or communicate with Applicant, Applicant's present attorneys of record are unavoidably precluded from further prosecuting the '485 application in the manner specified by the Code of Federal Regulations and the policies and procedures of the U.S. Patent and Trademark Office.

9. A Request for Reconsideration of Petition Under 37 CFR § 1.47(a) in reply to Decision Refusing Status Under 37 CFR 1.47(a) mailed July 23, 2002, in response to the Petition filed on April 9, 2002 under 37 CFR § 1.47(a) is has been submitted and filed concurrently herewith. A true and correct courtesy copy of the concurrently filed Request for Reconsideration of Petition Under 37 CFR § 1.47(a) is attached hereto as Exhibit A, for the convenience of the Examiner. There is no other Office Action or matter requiring reply or response presently pending in U.S. patent application serial number 10/027,485.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

DATED: August 22, 2002
